

New Life New Members Orientation

Reaping the Harvest

The purpose of the New Members Orientation is to lay a common foundation of understanding and teaching for the new member pertaining to Pastor Terry Ellison's vision, our beliefs, doctrines, ministries, and services. We strongly recommend that all *new* members of New Life attend the sessions offered several times per year. Current members who have not attended are also encouraged to attend.

We hope to assist you in identifying your spiritual gift(s) and area(s) of service in the Body of Christ where you can grow in the anointing that God has given you for the task set aside for you. To prepare you for your awesome service experiences, following the examples of Christ and the anointed vision of Pastor Ellison, the Public Relations/Volunteer Services Ministry, in conjunction with the Evangelistic Follow-up Ministry, offers beneficial training guidance and follow-up to train you in the area of ministry, service, attitude, and communication.

New Members Orientation prepares you to serve with excellence in a ministry where you can fully utilize your gifts, talents, and skills for the advancement of the Kingdom of God through Jesus Christ. The vision of Pastor Ellison is for our all of us to be fulfilled while serving in the ministries and impacting our communities.
